INDIA SUMMIT

24th October 26 | Bengaluru

Sponsorship Opportunities

2026 ACDM India Summit

Introduction

The Association for Clinical Data Management (ACDM) has been supporting the clinical data management profession for almost 40 years, bringing together professionals from across the industry to share knowledge, promote best practice and support professional development.

For the first time, ACDM is bringing its global community to India with the inaugural ACDM India Summit. Under the theme Advancing Clinical Trials through CDM Excellence, the Summit will bring together clinical data management professionals from across India to explore emerging trends, regulatory developments and best practices shaping the future of clinical research.

The programme will feature keynote presentations, expert-led sessions, panel discussions and valuable networking opportunities, providing delegates with practical insights and the chance to connect with peers from across the sector.

Location

Bengaluru, India

Date

24th October 2026

Please note: Sponsorship supports the event and provides brand visibility, but does not influence speaker selection or guarantee a place on the programme.

Sponsorship Opportunities

Headline Sponsor: £8,000

Position your organisation as the lead supporter of the inaugural ACDM India Summit. This premium package provides prominent brand visibility before and during the event, along with multiple opportunities to engage with delegates.

- Organisation logo included in the event branding, appearing on all Summit related social media posts and event promotional mailings before, during and after the event
- Organisation logo prominently displayed on electronic materials
- Opportunity to prominently display a roller banner at a strategic location within the venue
- Logo on screen between sessions
- Full-screen, full-colour advertisement on the Event App
- 4 attendee places

Supporter: £3,000

Demonstrate your support for the clinical data management community in India while increasing your brand visibility among delegates as a Supporter of this event.

- Inclusion of your organisation's logo in event branding, appearing on some of the conference-related social media posts and mailings before, during, and after event
- Your organisation's logo displayed on electronic materials (website)
- Logo on screen between sessions
- 1 attendee place
